

Deadline

June 15, 2017

Don't Miss the Opportunity!

Win a Work Zone Safety Equipment Set

Rutgers Center for Advanced Infrastructure and Transportation's work zone safety education program will award brand new work zone safety equipment sets to five eligible* local public works or roads departments that lost construction materials to fire, theft, flood, wind damage, age or other natural disasters.

Through support from the New Jersey Division of Highway Traffic Safety New Jersey municipalities and counties can apply to receive one of five work zone safety equipment sets. Submit this form to bethany.dennis@rutgers.edu. An online application is available at cait.rutgers.edu/work-zone-contest. The deadline is June 15, 2017. Winners shall be notified by June 21, 2017.

**Recipients of previous years' work zone safety equipment sets are not eligible for this opportunity*

2016 department of public works' winners.

WORK ZONE SAFETY EQUIPMENT SETS INCLUDE:

- Two Class-2 high-visibility vests with reflective stripes
- Two roll-up "Road Work Ahead" signs
- Two roll-up "One Lane Road Ahead" signs
- Two roll-up flagger symbol signs
- Six compact sign stands (MUTCD and NCHRP-350 compliant)
- Twenty Orange traffic cones with retroreflective stripes (MUTCD compliant)
- Two Stop/Slow paddles

bethany.dennis@rutgers.edu

or by Fax to 732-445-3325.

An online application is also available at cait.rutgers.edu/work-zone-contest.

Has your agency recently lost work zone equipment? Please briefly describe how it was lost or damaged?

If your equipment was not lost or damaged, please explain why your agency is applying for this equipment?

Will personnel from your agency participate in work zone safety training provided by NJ LTAP (at no additional cost to the municipality)? Visit cait.rutgers.edu/cait/training for a complete course listing.

Yes, I will be attending these courses:

No. These are the training courses I would like to see offered at CAIT:
