The New Jersey Department of Transportation (NJDOT) Bureau of Research is seeking presentations for its first virtual Research Showcase! Presentations related to transportation research will be considered for virtual presentation during the 22nd Annual Research Showcase, to be held virtually October 28-30, 2020. The theme for this year’s event is “Preparing Today for a Resilient Tomorrow.”

We welcome you to submit completed or nearly completed transportation-related research studies. If selected, you will present your work on the second or third day of the three-part virtual conference. Presentations will be in 20 minute increments and will be selected by NJDOT Research Bureau personnel.

To be considered, you must email your proposed presentation topic(s) with accompanying abstracts to Janet Leli (jleli@soe.rutgers.edu), Director of the New Jersey Local Technical Assistance Program. The deadline to do so has been extended to **September 30, 2020**.

Be sure to include:

- Title and abstract of the presentation
- Name and email address of the person who will be presenting
- Which category your project most closely aligns with:
 - Equity
 - Environment/Climate Change
 - Mobility
 - Safety
 - Infrastructure Resilience
 - COVID-19 Related
- Any additional information you feel necessary

All submitters will receive a confirmation regarding the selection committee’s final decisions.

Thank you for your interest and participation in the NJDOT Transportation Research Program.

The NJDOT Research Showcase is organized by Rutgers Center for Advanced Infrastructure and Transportation on behalf of the New Jersey Department of Transportation (NJDOT) Bureau of Research.
