The NJDOT Research Showcase is an event of the New Jersey Department of Transportation’s Bureau of Research and organized by the Rutgers Center for Advanced Infrastructure and Transportation (CAIT) in association with the Alan M. Voorhees Transportation Center (VTC).

**The New Jersey Department of Transportation (NJDOT) Bureau of Research is seeking presentations for its next Research Showcase, to be held in-person at The Conference Center at Mercer! Presentations related to transportation research will be considered for in-person presentation during the 24th Annual Research Showcase, to be held October 26, 2022. The theme for this year’s event is “Advancing Equity in Transportation.”**

We welcome you to submit completed or nearly completed transportation-related research studies. If selected, you will present your work in-person on the afternoon of October 26. Presentations will be in 20 minute increments and will be selected by NJDOT Research Bureau personnel.

To be considered, you must email your proposed presentation topic(s) with accompanying abstracts to Janet Leli (jleli@soe.rutgers.edu), Director of the New Jersey Local Technical Assistance Program, no later than September 18, 2022.

### Be sure to include:

- Title and abstract of the presentation
- Name and email address of the person who will be presenting
- Which category your project most closely aligns with:

**Infrastructure • Safety • Equity/Mobility**

- Any additional information you feel necessary

All submitters will receive a confirmation regarding the selection committee’s final decisions.

**Thank you for your interest and participation in the NJDOT Transportation Research Program.**
